

Wave 3 provision is highly personalised and relates to the individual targets that are agreed on a child's Statement of Educational Need or Education Health and Care Plan. The following provision can be provided.

Cognition and Learning - Wave 3 SEND provision

Literacy - phonics	Letters And Sounds	Personalised phonics revision programme following the KS1 Letters and Sounds programme: 15 minutes, 2x per week, 1:1, taught by a qualified teacher.
Cognition and Learning	Memory games	To targeted pupils with diagnosed memory difficulties. 15 minutes, 1x per week, 1 to 1, taught by a qualified teacher or LSA.
Mathematics	Individualised key skills mathematics support	Highly personalised targeted maths support to meet individual targets, to be provided by a qualified teacher or LSA, as required.

Communication and Interaction - Wave 3 SEND provision

Speaking / Language	Speech and Language Support	Where there is an identified SLCN (speech, language and communications need) an NHS speech and language therapist may deliver a speech programme, or this may be provided to the school for an LSA to deliver.
Language	Developing phonological awareness skills	A structured programme, progressing in small steps for pupils with language processing difficulties.
Language	Developing written language skills	A structured programme, progressing in small steps, for pupils with language difficulties.

Sensory and physical needs - Wave 3 SEND provision

Physical needs	Occupational therapy	Where there is an identified occupational therapy need an NHS occupational therapist may deliver a short-term programme, or this may be provided to the school for an LSA to deliver.
