

# Amazing World Music Workshop

On the 19<sup>th</sup> September 2014 Year 6 had the opportunity to take part in an amazing world music workshop. It was very impressive and made all of Year 6 want to have a go. It was all about the Chinese Moon Festival because that is our topic at the moment.

## The Dance Studio

The room was completely different to what it usually is. The floor was covered with drums and we could barely fit into the room! The teacher, Jim, was very nice and we learnt a lot from him, he taught us how to play each different type of drum.

## What We Learnt

We learnt a lot about the Chinese drummers as well as gong players. In the music workshop we played a group song on the drums because we were split into three groups; it was amazing!

Overall the workshop was fascinating and great fun. We learnt so much and we would love to do it again next year.
