

# Bright Futures

As part of our Bright Futures scheme, our very own Mrs O'Malley came to talk to the children in year six about the volunteer work she does with St John's Ambulance. The

children learnt about the wide range of work St John's does to keep the community safe and learnt how to put a casualty into the recovery position.

Year 6 were lucky enough to be visited by Dr Giles Summerhays, who came to talk to us about his career as an equine vet. As some of our children are aspiring equine vets themselves, the talk was so helpful and inspiring for them. We are so grateful that Dr Summerhays took the time to talk to us and we thoroughly enjoyed it.
