

Imagine you are a person living in 1750. You have travelled in time to after the Industrial Revolution, to 1900. You need to write a diary entry explaining what has changed.

BRONZE

Describe three main things that changed from 1750 to 1900.

SILVER

Explain in detail five differences between 1750 and 1900.

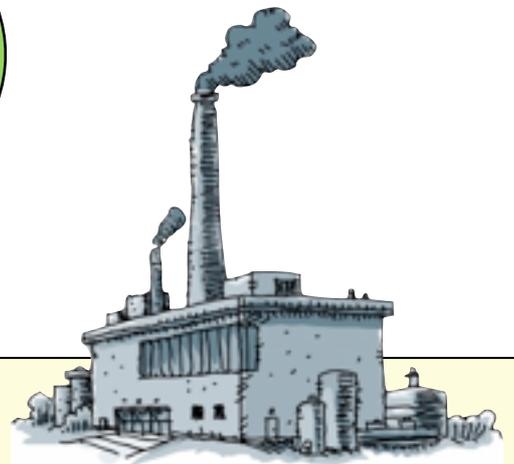

GOLD

Suggest in what ways life might be better, and worse, from 1750 to 1900.

Key Words

population, factory, farm, transport, train, disease, medicine, dirt, city, houses, work, machines, food

Dear diary,

I can't believe it! Here I am in 1900, and the world has changed more than I could ever have imagined...
