

Mrs Nichols
Shottermill Junior School,
Lion Lane,
Haslemere
Surrey

Dear 3 Fabulous,

I have been thinking about you and all of the fun times we would be having together at school. Now we might not be talking to each other every week, I have sent you a surprise to help us keep in contact. I have made a mini 'avatar, flat teacher me' so that we can still learn, play and grow together!

I want to see what you are doing each day so take my mini me along on your adventures, and if you can, take a photo to send to the homework e-mail address! The Flat teacher is a super helper and would love to see what you have been learning about and join in the fun you are having whilst learning at home. I can't wait to hear all about your amazing work and adventures.

Stay safe and work hard,

Mrs Nichols
