

To create a linear map

Map types- linear and aerial

Look at these maps. What types of maps are these? What is the same, and what is different? Where might you see these kinds of maps?

What makes a good key?

What Makes a Good Symbol?

Which is the map symbol?	How can you tell?	Why is the symbol better for use on a map?	
			
			

LO: To create a linear map

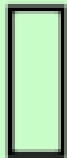

Take a walk around your local area creating a journey stick, then create a linear map using the journey stick.

Example Key:

Acorn - by my house

stick - by the church
