

The Shottermill Olympics – Cross-curricular competitive tasks

This week, instead of the foundation subject grid, we would like the children to use the grid below for their lessons. They should continue with Maths and English as usual.

Art – Photography

Using the work of **Jan von Holleben** (illusion photographer) to inspire you, see if you can come up with a **sports event photograph**.
Send us a photograph of your work.

Computing

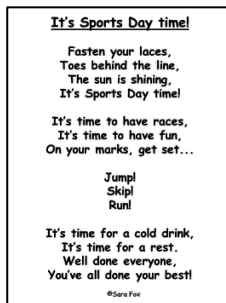

Design a **poster** to advertise the virtual Shottermill Olympics. Send us an electronic copy or photograph of your work.

Design & Technology

Design or make a **piece of sporting equipment**.
You can send us either your design or a photograph of the finished product!

English

Create a **poem** on any sporting theme. This can be handwritten or typed. Send us an electronic copy or photograph of your work.

Food & Nutrition

Make a **cake** with a sporting theme or create a **healthy meal** for your family.
Send us a photograph of your work.

History

Research your favourite sport or sports person and create an **information factsheet**. Send us an electronic copy or photograph of your work.
