

### Le Tour de France (French)

Open the **Le Tour de France PDF** under the **Additional Learning Tasks** tab and read about this famous event. At the end of the PDF, answer the questions to test your knowledge!

### Food! (French)

In French, write a short paragraph about foods and drinks that you like and dislike. Use the sentence builder called **Food opinions flowchart** under the **Additional Learning Tasks** tab. Try and include 3 new foods

that are not on the list.

### Trusting a Website (Computing)

Visit the website below and complete the four activities to show whether you understand which information you can trust online.

### Commonly Misspelt Word Search (Spelling)

Complete one or more of the word searches from the **Commonly Misspelt Words Word Search PDF** under the **Additional Learning Tasks** tab.

Challenge: Create your own word search using words you find tricky to spell and then give it to a family member to

solve.

### Plan a School Trip to the Arctic! (Geography)

Plan an imaginary school trip to the Arctic! You will need to consider in your plan:

- What will children need to take with them?
- Where/what will you stay in?
- Meals
- Time of year to go
- What children will learn from the trip

WELCOME TO THE  
ARCTIC

### Wartime Recipes (History/Food Technology)

Create a wartime recipe using the **Wartime recipe booklet** under the **Additional Learning Tasks** tab.

You **must ask an adults permission** before you try this activity.

### **Go on a Colour Walk (Art/Photography)**

Look for things in every colour of the rainbow, one by one. You can photograph or draw each thing you find, write them down, or just look.

It's up to you how many things you want to find in the same colour. At different times of year this activity might look quite different!

If you're playing at home, you could collect a few things of each colour and arrange them.

Visit the Tate website for more creative ideas!

### **Raksha Bandan (RE/crafts)**

Hindu brothers and sisters celebrate the love of the family: sisters tie a Rakhi to their brothers' wrists. It symbolises protection and love between brothers and sisters.

Watch this video to find out more.

Create a Rakhi to give to a sibling, family member or close friend.

### **Drawing Small Challenge (Art)**

You Will Need:

- Paper
- Pen or pencil
- Collection of small objects (see below)

The aim of this exercise is to help you tune in to drawing as an activity.

Repeat this exercise over a few days, each time choosing a different "small" object, and you'll soon see how the marks you make change and improve.

So let's start small and take it one tiny drawing at a time!
