

**Year 4 Foundation  
Overview  
6<sup>th</sup> July – 10<sup>th</sup> July**

**Science**

**Classification**  
I hope you enjoyed your invertebrate hunt last week!  
This week you are going to show the characteristics of living things in a table and a key.  
One star will focus on animals living in Desert Habitats.  
Two star will focus on animals living in Rainforest Habitats.

**RE**

**Christians believe in one God made up of three parts: The Father, The Son and the Holy Spirit.  
Read the PPT all about the Holy Spirit.**

**Task 1: match the 7 gifts of the Holy Spirit with their definitions.**

**Task 2: create a poster to illustrate and explain the 7 gifts of the Holy Spirit.**

**Midfulness!**

**This week our theme is Healthy Minds - Healthy Hearts. Sometimes it is good for us to sit still and quiet. Pop some relaxing music on and pick a mindful colouring sheet to complete.**

**Creative Challenge!**

*Complete an observational drawing.  
This means looking carefully at an object and drawing it accurately with the correct proportions and shading.  
It could be a shoe, a piece of fruit, a bottle, or any household item!*

**Super star challenge**

**Have a go at completing some of the puzzles in the puzzle pack!**

**Project – Rivers**

**By now, you should have researched your video, decided which information to use and started to put your presentation together. This week, we'd like you to complete the project and then present it to someone in your household. Being able to present your work clearly and confidently is a really important life skill and this is a wonderful opportunity to develop it.**

**When you're presenting your work use the top tips provided to help you!**
