Arts and Crafts ECA

We visited the fun Arts and Crafts ECA. Tyler Spear 5W said this, "We were given glass jars which we then coloured and designed them. The next time we were using the cardboard in loo rolls to create animals and monsters. I would recommend this ECA to years 4 and 5."

Arts and Crafts ECA is a great ECA for people who have a creative mind and love getting messy!

Multi sports ECA

Multi Sports ECA is full of freedom in sport. Rafe Zakaria 5W commented "We do loads of fun sports like basketball and football. This ECA is best in summer."

Gardening ECA

Gardening ECA is calm and soothing. Lilia Baker 5W said “We cut weeds, it is very interesting, best in Autumn and recommended for years 5 and 6.”

Debate

Debate ECA is currently debating whether children should choose their own lesson(s). Vinnie 5RB explained that “My favourite thing is discussing and explaining things and why we believe it.” This ECA is for people you love expressing their own ideas and to persuade others to think

as they do.

English is Fun

This ECA is for people who like using a range of verbal and creative ideas. Nick and Teddy 5W said “We love creating slideshows and decorating our own bookmarks. We recommend this to all years from 3-6.” This ECA covers the whole of the English category.
