

# PE & Sport Premium Report

## September 2018

**Shottermill  
Junior School**

### What is the PE & Sport Premium?

The PE and Sport Premium is a grant designed to help primary schools improve the quality of the PE and sport activities they offer their pupils. In most cases, the amount of funding is determined by the number of pupils in the school using data from the January 2017 school census.

- Schools with 17 or more pupils receive £16,000 plus £10 per pupil.

Schools must use the funding to make **additional and sustainable** improvements to the quality of PE and sport they offer. This means that schools should use the Primary PE and Sport Premium to:

- Develop or add to the PE and sport activities that our school already offers
- Build capacity and capability within the school to ensure that improvements made now will benefit pupils joining the school in future years

### How much Sports Premium has the school received?

Funding received for the year April 2017 – March 2018: **£14,923**

Funding received for the year September 2017 – September 2018: **£18,880**

### Key achievements to date made possible through the Sports Premium funding:

- Installation of all-weather Astro pitch
- Improved kits and equipment for children to use
- Children have attended a large-scale sports event: Parathletics at London stadium
- All children have completed swimming lessons
- Large volume of children involved in sports due to ECAs
- Healthy Living Week / Feeling Good Week activities to promote healthy lifestyles and physical activity
- Achievement of Gold Games Mark 3 years in a row

**Areas for further improvement and baseline evidence of need:**

- Low performance at competitive athletics events. The school came last at both Confederation Sports and District Sports
- Staff training to ensure a consistently high level of delivery
- Improvements needed to sports equipment to support high quality lesson delivery

Here at Shottermill Juniors, we are lucky enough to have our own outdoor, heated swimming pool where lessons are delivered across the whole school twice a week to all pupils. The upkeep and maintenance of the swimming pool is funded partly through the school's delegated budget with a large proportion of funding coming through parental donations and the Shottermill Trust Fund.

The following information provides performance measure outcomes for swimming in Year 6 at the end of the summer term in 2018:

<b>Meeting national curriculum requirements for swimming and water safety</b>	<b>% of Year 6 pupils</b>
What percentage of your current Year 6 cohort swim competently, confidently and proficiently over a distance of at least 25 metres?	87%
What percentage of your current Year 6 cohort use a range of strokes effectively [for example, front crawl, backstroke and breaststroke]?	88%
What percentage of your current Year 6 cohort perform safe self-rescue in different water-based situations?	98%
Schools can choose to use the Primary PE and Sport Premium to provide additional provision for swimming but this must be for activity <b>over and above</b> the national curriculum requirements. Have you used it in this way?	We have used a small proportion to buy additional equipment for lessons such as new floats, sinkers, pool goals, etc.

The following tables explain how the school spent its Sports Premium in 2017-2018.

Academic Year: 2017/18	Total fund allocated: £	Date Updated:		
<b>Key indicator 1: The engagement of <u>all</u> pupils in regular physical activity – Chief Medical Officer guidelines recommend that primary school children undertake at least 30 minutes of physical activity a day in school</b>				Percentage of total allocation (academic year):
				29%
School focus with clarity on intended <b>impact on pupils</b> :	Actions to achieve:	Funding allocated:	Evidence and impact:	Sustainability and suggested next steps:
Specialists in sports training to support existing staff and work independently to develop more able children's skill sets.	CM Sports employed to lead lunchtime activities alongside sports ECAs.	CM Sports help with ECA: £495.00	School achieved a gold school games award due to the overall involvement in sports.	Change from CM Sports to an employed member of staff, allowing for greater transparency and measurability in children's involvement and success. This will also dramatically improve the CPD of staff and build sustained improvements for the future.
Inactive children also encouraged to engage with more niche and attractive sports.		CM Sports Lunchtime Club: £2,020.00	Competitive sports continue to improve although there is still significant improvement required.	
Involvement in different sporting activities, include Dance, to promote wellbeing.	Feeling Good Week	£1000.00	Feedback from pupils very positive and increased rates of activity recorded especially through running a 'daily mile'.	
Ongoing maintenance of facilities.	Upkeep for astro-turf.	£1,930.00		
<b>Key indicator 2: The profile of PE and sport being raised across the school as a tool for whole school improvement</b>				Percentage of total allocation:
				0%
School focus with clarity on intended <b>impact on pupils</b> :	Actions to achieve:	Funding allocated:	Evidence and impact:	Sustainability and suggested next steps:
Raise awareness through performances and sporting behaviour at events.	Parents of children selected to play in all competitive events to attend events.	£0.00	School achieved a gold school games award, which measures the impact of sports on parents and the wider community.	Sustainable with allocated time. Impact on parents' perspective extremely positive overall.
Highly skilled parents/volunteers to be involved in ECAs using their subject knowledge to the benefit of the pupils and staff.	Success and attitudes towards struggles to be witnessed by parents in order to promote the school		Parents active participants in competitive sports events and sporty ECAs.	

<b>Key indicator 3: Increased confidence, knowledge and skills of all staff in teaching PE and sport</b>				Percentage of total allocation:
				0.6%
School focus with clarity on intended <b>impact on pupils:</b>	Actions to achieve:	Funding allocated:	Evidence and impact:	Sustainability and suggested next steps:
Ensure that staff who are relatively new to teaching are well trained to teach PE and specialist swimming lessons.	NQT accessed training course in Gymnastics.  New teachers to the team accessed swimming training.	CPD training £60.00  £50.00	Overall confidence raised and ideas shared with whole staff.  Swimming lessons safely taught to all pupils.	Outstanding practitioner will be employed to model lessons, allowing staff subject knowledge to develop.
<b>Key indicator 4: Broader experience of a range of sports and activities offered to all pupils</b>				Percentage of total allocation:
				0.6%
School focus with clarity on intended <b>impact on pupils:</b>	Actions to achieve:	Funding allocated:	Evidence and impact:	Sustainability and suggested next steps:
Year 6 pupils to teach a wide variety of sports through lunch time clubs.  Children will develop in leadership and recipients to experience an increased variety of sports.	Sports crew training offered by the Surrey District Sports.  Regular clubs to be run by the children, offering a wide variety of sports. Impact to be assessed by focus groups of attendees.	Sports crew training £120.00	Engagement from some more socially challenged children has allowed them to access playtimes.  Some sports leaders' confidence and delivery dramatically improved allowing them to deliver to larger groups of children.	Sustainable. Attend a second event, if available.
<b>Key indicator 5: Increased participation in competitive sport</b>				Percentage of total allocation:
				6%
School focus with clarity on intended <b>impact on pupils:</b>	Actions to achieve:	Funding allocated:	Evidence and impact:	Sustainability and suggested next steps:
Attend competitive events in a wide range of sports with other local schools.	Children to attend competitive events within the district run by Bohunt.  Children to participate in sporting activities within Haslemere Confederation.	Bohunt Confederation: £300.00  WHS confederation contribution £900.00	Uptake dramatically positive since attending Bohunt events. Twice-weekly competitive events attended with comparative success.  Children accessed a range of different sports through WHS and mixed with other schools.	Sports clubs to effectively link with the school teams to allow for better performance.

**Total expenditure in Academic Year 2017/18: £6,875.00**

**% spent of total funding for Academic Year 2017/18: 36%**

### **How do we intend to spend the Sport Premium in the year ahead?**

As well as the next steps detailed above, at Shottermill Junior School we have decided to take our PE provision in a bold new direction. Together with the Governors, we have set a new long-term strategy to substantially improve the quality of lessons taught every week, as well as improve the subject knowledge of our Class Teachers to ensure that improvements can be sustained for the future.

We have employed a new PE Teacher for September 2018, to deliver dedicated PE lessons to each class, accompanied by their Class Teacher. The new PE teacher will be responsible for:

- Ensuring that there is a broad range of skills and knowledge taught across each year group in the school through establishing a new PE scheme of work;
- Ensuring that there is a high standard of equipment in school to support PE lessons and enthuse children to take up sports in the future;
- Working in partnership with the existing PE Leader to maximise participation in sports activities and inter-school events;
- Further refining and developing the new assessment system for PE in school;
- Ensuring that PE is accessible for all, including those who are gifted and talented, disadvantaged or those with special educational needs or disabilities;
- Reporting to Governors on the standards of PE lessons taught and outcomes for learners.

The school has allocated £15,000 towards the cost of the new PE teacher for the year ahead and has used some reserves from the previous academic year to bring about this new initiative.

**Ultimately, we are working towards achieving the Platinum Mark for Sports through the School Games scheme. Our aim is to achieve this in 2020.**
